

Terms of Services

Introduction

These Terms of Service, together with the applicable general Top Level Domain (gTLD) and country code Top Level Domain (ccTLD) Policies constitute the entire agreement between SIRDIO and domain name registrant (owner of the registration). Prior to registration or renewal of a Domain Name, or any other domain management activities, including the transfer of any Domain Name to SIRDIO as the Registrar of record, SIRDIO requires you to have accepted these terms and the applicable gTLD and ccTLD Policies. SIRDIO is obliged to enable users to use services in the best possible way, including the operation of server and customer support . The User will use our services at their own responsibility. SIRDIO does not provide any guarantees nor is it responsible for any damages caused by the services rendered.

Your obligations

You agree that:

1. You have read and understand these Terms of Service and the relevant ccTLD Policies, and agree to be bound by them.
2. You have and will satisfy yourself that the use of the Domain Name will not infringe the legal rights (including, without limitation, the intellectual property rights) of any third party. You agree to protect each Relevant Party from any such claim.
3. You will make sure all information you give SIRDIO is accurate and complete, keep SIRDIO informed of changes to any information you give us, and that you have the authority to enter into this agreement.
4. You will only use the Services for lawful purposes.
5. You will ensure that any Domain Name registered by you does not interfere with other users of the Internet.
6. You will keep the Registrant ID, and any passwords associated with the Domain Name, together with any other security provided to you in connection with the Domain

Name (Password Information, confidential, safe and secure. SIRDIO is not responsible for the misuse of any Password Information whether by yourself, or, by any other person (including, without limitation, any employee or contractor of SIRDIO).

Registration of a Domain Name

You agree that:

1. Registration of a Domain Name by SIRDIO is carried out on a "first come, first served" basis.
2. Registration of a Domain Name confers no property or ownership rights to that Domain Name.
3. The Domain Name is registered in your name only because no other person has it according to the records of the Register.
4. The entry of a domain name in the whois database will not be taken as evidence of anything other than the registration of the Domain Name.
5. SIRDIO will not become involved (whether directly or indirectly) in any dispute pertaining to the Domain Name and where a conflict arises between Name Holders or prospective Registrants about the Domain Name registration, those parties must resolve the issue independently of SIRDIO.
6. The details held in the Register shall be treated as correct and as the authoritative record.
7. SIRDIO does not accept any responsibility for the content of a Name Holder website and SIRDIO shall not be obliged to enforce the removal of content from a website.
8. Confirmation of your order does not guarantee that the domain name has been successfully registered. We will not accept any responsibility, nor provide any guarantee that the domain name has been successfully registered until we receive registration confirmation from the registry. When a domain name has been successfully registered, a confirmation email will be sent to you confirming the successful registration.

9. The availability and price information we return for a given domain name is an indicator only, based on the information available to our systems at the time of checks and dependent on third-party systems. As such we cannot accept any responsibility for the accuracy or inaccuracy of availability and pricing checks.

10. In the event a given domain name is unavailable for registration , we will contact you regarding your wishes and your options relating to any payment already made to us for this order
